

Effective **December 13, 2021**, Empire BlueCross BlueShield HealthPlus started covering COVID-19 at home test kits at no cost to you.

These COVID-19 at home test kits:

- Are available over-the-counter (OTC) and must be authorized by the Food and Drug Administration (FDA).
- Are offered if you have symptoms or not.
- Must be ordered by a medical provider.
- Are limited for members at once per week.

If you are not sure about getting a **COVID-19 vaccine**, you can talk with your healthcare provider or pharmacist about your questions or concerns.

Please call Member Services at **800-300-8181 (TTY 711)** if you have any questions about vaccines or at home COVID-19 testing.
